

28 Days of Prayer

“If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin and will heal their land.” 2 Chronicles 7:14

Are you ready to exercise your faith and possess the promises of God? Are you ready to breakdown strongholds of the enemy? Are you ready to experience victory? If you answered “YES” to any of those questions, then I invite you to join me and other saints of our congregation, as we seek to release the power of God into our lives and the lives of others through the privilege of prayer. Over the next 28 days (February 1st thru February 28th), I am asking each member who has a willing heart and a desire to conquer for the kingdom, to participate in “28 Days of Prayer”.

This challenge is designed to make us more aware of the power of the spiritual weapon we know as prayer and how we can use it to bring about change in our lives and the lives of others. It will strengthen and bless each participant and inevitably the whole church. It is for those who desire to step out on faith and tap into the power of God.

To participate in “28 Days of Prayer”, here is what you must do:

1. Select one member of our church as your prayer partner. Pray with, pray for and encourage one another over the next 28 days starting February 1st. You and your prayer partner can talk and/or meet as often as you two see fit.
2. Pray each day. Select a time and place where you will spend time alone talking to God daily. Each Sunday, in the church bulletin, we will identify certain things we will focus on in our prayers that week.
3. Read and meditate on the word daily. Each week, in the church bulletin, we will have a Weekly Prayer Focus based on Christ’s model prayer with scriptures to read and reflect upon.
4. Fast once a week in February if your health allows you to. You decide the duration of your fast and what you will fast from.
5. Strive to be in worship every Sunday and Bible School for the next 4 weeks and truly seek the presence and power of the Lord. If you’d like, keep a Prayer Journal of your prayers, who/what you prayer for, answered prayer and/or your thoughts during the 28 Days of Prayer.

WEEK ONE – February 1-6 - Focus: Worship the Lord

Scripture: Luke 11:1-2

Each day, before you pray, think about God and how He has shown His glory in your life and then, in your prayer, focus on expressing praise, adoration and gratitude unto the Lord for who He is and all He has done.
