

The Final Piece

“It shall come to pass in the latter days that the mountain of the house of the LORD shall be established as the highest of the mountains, and shall be lifted up above the hills; and all the nations shall flow to it,” **Isaiah 2:2**

God is amazing. Since the fall of man as recorded in Genesis 3, God set in motion a plan to redeem man back to himself. From the call of Abram and the patriarchs to the establishment of Israel and the birth, death and resurrection of Jesus Christ, every aspect of God’s plan is falling into place. Now, in these last days, God has established the final piece of his plan of redemption. This final piece is comprised of those who God has called out from the world to focus on and carry out His will around the world so that mankind has the opportunity to be saved. They are his holy nation, his peculiar people and his chosen generation. This final piece was prophesied about by the prophets of Israel and promised by the Savior of the world. This final piece is the spiritual group to which all of those who are saved are added to by Christ himself and the devil will never be able to overcome it. This final piece of God’s plan to redeem man and destroy the adversary is none other than the church that Jesus promised to build...Christ’s church...the new testament church...the church of Christ (Matthew 16:18).

Do you truly understand the purpose, promise and power of the church that Jesus built? Well, every Sunday night at 6 PM in November 2014, we will be discovering some important truths about the new testament church and its role and relevance to all of our lives. It is my hope and prayer that this understanding will help us develop a greater appreciation for the church that Jesus built as well as the One who built it and motivate us to reach and teach others so that they too can be added to it.

It is vitally important that we know the truth about the church that Jesus built because our adversary, through his false teachers and false teachings, has established many false churches when Christ only promised to build one. Therefore, I encourage you not to miss these lessons. Make sure you are here and invite those who you care about to come as well. “And you shall know the truth and the truth shall make you free”
